

## How to Continue your Aflac Coverage

*Great news!*

As you probably remember, the Aflac coverage you chose during enrollment is *portable*. That means *you can keep your coverage even when you change jobs or retire*.

It's easy to continue your Aflac coverage without interruption—*with the same benefits and the same premiums*. The only difference is the *way* you pay your premiums: Instead of having them payroll-deducted, you can simply make payments directly to Aflac.

To continue your coverage, visit our website [www.aflacgroupinsurance.com](http://www.aflacgroupinsurance.com). Complete the Continuation of Coverage Form, and submit it within 31 days of your termination date.

If you have any questions, please give us a call toll-free at 1.800.433.3036.

Thank you so much for being part of the Aflac family. We look forward to keeping you well protected under our wing.

Sincerely,

Aflac
